# A CONVERSATION

Those who are dancing are considered
insane by those who cant hear the music.
   -FRIEDRICH NIETZSCHE

Sometimes a cigar is just a cigar.
                    -SIGMUND FREUD

INSPIRATION

The inspiration was drawn from a single release song *Blue Monday by* the band New Order. The music itself was created by technology. As well as the album cover design is embedded with code.

So the front cover reads as follows:

F A C 7 3
B L U E
M O N D A Y
A N D
then the flip says

T H E
B E A C H
N E W
O R D E R

APPLICATION

Music (record)

1.Using comoputer program translat the quotes into programming language (Python).

2.Remix and recompose the melody created by comnputer into "A Conversation".

Record cover& label

Seperate and reassemble the spectral frenquency graph which is generated by the computer.
