Match

It is a tool

A match is simply a tool to help with the purpose of creating fire. The intent of lighting the match varies in many themes or purposes.

Researched

Burning rituals

Fires connection
to positivity

Themes

Renewal

Hope

Purification

BURNT

Theme

The first issue focuses on using fire as a tool for spiritual needs, Playing with fire in a positive light rather than seeing it as a harmful element. This issue has three passages that guide you through some self rituals and includes interactive elements.

Experimentation

★

CAUTION

Lighting this match can be used as a tool to bring in purification, hope and positivity. Can also allow you to have a sense of renewal.

HOPE
